Celebration and harvest festival assembly

Thank you to everyone who was able to attend our **celebration and harvest festival assembly** this morning.

As you saw from our display this morning, your amazing generosity has allowed us to make a fantastic donation to the Seaton Valley Food Bank.

Thank you to **Parish Councillor Sue Bowman** who attended this morning and took all of your donations to the food bank. Everything will be distributed to residents in Seaton Valley who require support from the food bank.

In these difficult times for everyone, it is great to see what we can do to help each other. A picture is on page 3.

Meetings with class teachers

Thank you to parents and carers who attended our meetings with their **child's class teacher** this week. We hope you found it useful to discuss your child's progress so far this term and their targets for moving forward.

Topic homework

Please don't forget that your child has their **October half term topic homework to complete and return by Wednesday 9th November**. This is an extended piece of homework to be completed in their topic homework book. During this time there will be no Maths or English homework set. Please note that even though we will not be sending home maths and English homework at this time, spellings will still be given out each week and children should continue to read at home and return their reading book and reading record to school every day.

Topic Homework is given instead of three weeks' worth of maths and English homework. With this in mind, we expect to see a minimum of three tasks that are completed to a high standard, and reflect the equivalent of three weeks' worth of homework. Models, paintings and sculptures that children have completed should be brought in alongside their topic homework books.

In previous years we have received some super examples of just how creative you are, including excellent models, pictures, writing and drawings. Staff will include ideas of activities that children can complete in their topic homework, but we want to see what you can do.

Pictures of completed topic homework will be shared and celebrated via our **school Facebook page** and the **homepage of the school website**, so please keep an eye out for them.

We would really appreciate your support with Topic Homework so all children have at least three pieces of high-quality work which they can be very proud of.

Autumn B after school clubs

There are a few spaces left at our **three after-school clubs** for boys and girls in **Years 1 to 4** for next half term. The details of the clubs are below-

- **Christmas crafty club** with Mrs Lyons and Miss Winter on Mondays from 3:15pm to 4:15pm for Years 3 and 4;
- **Singing club** with Miss Porter on Tuesdays from 3:15pm to 4:15pm for Years 1 and 2;
- **Games club with NUFC** on Thursdays from 3:15pm to 4:15pm for Years 1 and 2;

A letter was sent home two weeks ago which had the information about how to book a place for your child. The deadline for payment for clubs will be **Monday 31 October via School Gateway**.

Some application forms have been returned to school without payment on School Gateway. Your child's place at the club is not confirmed until payment is made on School Gateway.

Reminder- individual photographs

Our school photographer will be taking individual photographs of all our children on **Monday 31 October**, which is the first day back after the half term break.

Toy sale and swap

We are planning a toy sale and swap morning to take place next half term. We will invite parents and carers to bring pre-loved toys to school to either donate for free or to sell to other parents and carers. Children will not be invited to this event. We hope this will be useful for families so pre-loved toys can be re-homed and loved by a new family. We will send out more details of this event after the half term break.
