

E-safety rules for children in key stage 1 red and green class

All pupils use computer facilities including the internet as an essential part of learning, as required by the National Curriculum. Please keep this for information.

Think then Click These rules help us to stay safe on the internet when using computers, mobile phones and tablets.	
	We only use the internet when an adult is with us.
	We can click on the buttons or links when we know what they do.
	We can search the internet with an adult.
	We always ask if we get lost on the internet.
	We tell an adult if we see something that we are not sure about.
	We use programs and visit sites that adults have checked for us.
	We communicate with people that we know.
