Dear Parents and Carers

Year 2 Hula Hoop Festival on Friday 15 November 2019

Children in green class have been invited to take part in a **hula hoop festival** at Astley High School on **Friday 15th November**. This has been organised by Cramlington and Seaton Valley Schools Sports Partnership.

Mrs Lyons, Miss Young and the children will be taken to and from Astley by coach. At the festival the children will take part in hula hoop activities to improve their agility, co-ordination and balance.

The hula hoop festival is on the same day as Children In Need. We will be asking children to come to school wearing non-uniform (linked to Children In Need if they want to) on this day.

Children should **come to school wearing non uniform** (linked to Children In Need if they want to) that is **suitable to wear for the hula hoop festival** (eg leggings, tracksuit bottoms etc) or **wearing non uniform** with their **school PE t-shirt and shorts underneath**. Children must wear or change in to **trainers** for the hula hoop festival.

The children do not need to bring their school shoes or school uniform to change in to after the festival.

Please make sure that long hair is tied back and all jewellery has been removed. Children should also bring a **water bottle**.

The festival will take place indoors during the morning session. The children will be back at school at the beginning of lunch time, so there will be no changes to the usual lunch time arrangements.

We have attended a lot of festivals and they are always very popular with the children.

Yours sincerely

Miss Chappell
