### Easter decorating competition

Our Easter decorating competition is now open. We would love you to wow us with your creativity and craft skills.

#### What do you need to do?

You can decorate a boiled egg or a potato. You can use felt tips, craft materials and recycled items to make your design. You could make a famous person, a character from a book or a game, an animal or a unique design or pattern of your own. You can ask adults for help but please try to do most of the work yourself.

#### When do you bring your entry into school?

The Easter decorating competition will take place on **Wednesday 29 March**. Your entries need to be brought into school by then.

#### Are there any prizes?

Yes, there is a prize for everyone who enters. Please don't forget to **put your name** somewhere on your design so we can see it. There will also be a prize for the **most creative and unique design for each class**.

#### Who will see the finished competition entries?

Everyone! Hopefully we will be able to display all of the competition entries so they can be seen by everyone who comes to our **Celebration Assembly** next Thursday at 9:00am.

### Seghill First School Pedestrian and Cycle Zone

As mentioned in a number of newsletters this year, a road safety scheme on both Cheviot View and Parker Place has been planned. This is called the **Seghill First School Pedestrian and Cycle Zone**.

I have received notification from Northumberland County Council that the Seghill First School Pedestrian and Cycle Zone is **now active**. **This means that no vehicles can enter and proceed along the lengths of Cheviot View or Parker Place from Monday to Friday, 8:15am to 9:15am and 2:45pm to 3:45pm.**

#### What does this mean in real terms?

**Parents and carers should not drive up or down or park on Cheviot View or Parker Place on school days between 8:15am to 9:15am and 2:45pm to 3:45pm. This includes parents and carers who are dropping off and collecting children from Red and Green class or parking in either street to drop off or collect from any part of our school.**

In a nutshell, nobody other than residents should be entering this area 8:15am to 9:15am and 2:45pm to 3:45pm on school days.

#### What happens if the rules of the Seghill First School Pedestrian and Cycle Zone are not followed?

Parents and carers who park or drive on Parker Place or Cheviot View between the times listed above are contravening the restrictions. If found doing this, **parents and carers are liable to a Fixed Penalty Notice served by the Police**. To avoid receiving a Fixed Penalty Notice due to parking or driving on Parker Place or Cheviot View between the times listed above, parents and carers are encouraged to use active travel such as walking or cycling rather than private vehicles.

The enforcement of the regulations of the Seghill First School Pedestrian and Cycle Zone and the serving of Fixed Penalty Notices lies with the Police. As a school, we have no authority to enforce the rules of Seghill First School Pedestrian and Cycle Zone, but ask for your support. The zone has been put in place to keep our children safe.

### Leave of absence during term time requests

As we move into the summer term we tend to receive an increased number of leave of absence during term time requests.

We do completely understand that the cost of family holidays during the school holidays can be astronomical. However, we have a **legal duty** to follow the law around attendance, including only authorising leave of absence requests that have **evidence of exceptional circumstances** and referring to the Local Authority for a **fixed penalty notice** to be issued for all unauthorised leave of absence requests.

Parents and carers requesting leave of absence during term time must **submit the request at least two weeks in advance** using the **leave of absence during term time form**. The only leave of absence during term time requests that will be authorised are those where **evidence of exceptional circumstances** is provided. Leave of absence that is taken **without a leave of absence request form being submitted** will not be authorised and will trigger an application from school to the Local Authority for a **fixed penalty notice** to be issued. Leave of absence that is taken **which has not been authorised** is extremely likely to trigger an application from school to the Local Authority for a **fixed penalty notice** to be issued.
