Dear Parent / Carer,

## **TOP-UP Swimming Lessons**

I am writing to invite your child to attend our **TOP-UP Swimming** programme. Swimming and water safety form an essential part of every child's education. These lessons are being provided by Seghill First School to help your son/daughter become a stronger swimmer and more confident in the water.

The lessons will be held at **Astley Community High School from 3:40pm to 4:20pm. There will be four lessons during week beginning Monday 18<sup>th</sup> November- Monday 18, Tuesday 19, Thursday 21 and Friday 22.**

It is essential that pupils commit to attending all 4 lessons; you should not accept a place if this is not possible. All pupils must be accompanied by an adult, who must take them to and from Astley and remain in the changing rooms for the duration of the lesson.

The TOP-UP swimming lessons are being funded through the Government's PE and sport premium initiative; as such we are able to offer them free of charge.

Places on this programme are strictly by invite only and are only suitable for pupils who are either non-swimmers or not yet competent swimmers (cannot yet swim 25 metres unaided).

We have sent out invites to every child who expressed an interest in taking part. If we receive more replies than the number of places available, names will be put in a hat. To secure your child's place on this programme of four free lessons, please return the reply slip to the school by **Thursday 14 November.**

Four free swimming lessons is a very good deal. Please do not miss out on this excellent opportunity for your child to develop their water confidence and improve their swimming.

If you have any questions, please do not hesitate to contact me.

Yours sincerely

Miss Chappell
