

## **Creative week Monday 16 to Friday 20 October**

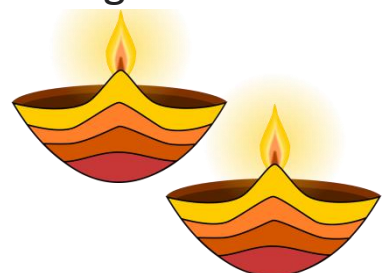

Staff have planned a range of exciting activities for our creative week with a focus on Divali, the Hindu festival of light.

Our week will end on **Friday 20 October** with our **celebration assembly at 2:30pm** in the hall. Children will be showing and telling us what they have learned during the week. We will be presenting attendance certificates, drawing the name out of the hat for the autumn term A voucher and announcing the class of the half term. If your child has won an award or has a medal or certificate this half term, we are happy to present them in the celebration assembly. Please let us know.

Some children may be making traditional Divali sweets. We will not be using nuts but some recipes may include coconut. Please make sure that you have informed us of any allergies.

We would also like the children to wear their **party clothes** on **Friday**. This is because people who celebrate Divali around the world usually wear traditional dress or their best clothes for the celebrations. Please remember that the children will still be going outside to play and following our usual routines. No fancy dress costumes please.

We hope you will be able to join us on Friday.
