

Santa's Christmas reading challenge

Can you meet Santa's challenge of reading 10 books in 10 school days before Christmas?

What you need to do-

1. Read your school reading book at home to an adult every night.
2. Ask your adult to sign your reading record and write in a comment about your reading every time you read.
3. Bring your reading book and reading record to school every day so we can change your reading book.
4. Santa will be checking the reading records on Thursday 17 December.
5. Santa will ask Miss Chappell to give out special Christmas treats to all children who have read 10 books in 10 days on Friday 18 December.

The challenge will start on Friday 04 December. Are you ready for Santa's Christmas reading challenge?
