

## Key stage 1 and 2 Marvellous Maths workshop for parents and children

Join us for Mrs Bell's Marvellous Maths workshop for parents and children in key stages 1 and 2 on **Monday 14 October from 8:45am to 9:45am.**

Children will be able to come to the workshop and complete the activities with their parents if they attend.

Mrs Bell will be sharing **top tips** to help you to support your child, demonstrating **resources** and showing some of the strategies we use to teach maths in school.

This is not a test of your mathematical ability and you will not be "put on the spot".

Please come to **blue class classroom** after you have dropped off your child at their classroom.

Please come along so you can work with your child and increase your maths confidence.
