Dear Parents and Carers

I hope everyone has enjoyed the half term break.

As you will know, the rules relating to isolation and testing have changed over the half term break.

In order to ensure as little disruption to schooling and families the following school-based operation guidance will remain in place:

While the legal obligation has now been removed, it is very important that we all continue to take steps to mitigate against possible infection from COVID.

Hygiene and ventilation mitigations will remain in place. Children will still be taught and will play in their existing key stage bubbles. In the event of a COVID outbreak, we may need to revert back to some of our other protective measures.

Thank you in advance for your continued support.

Yours sincerely

Tracey Chappell
